RE: SILVERMAN, Adam Todd
Reg. No. 02405-748
Docket No. 00-6273

Dear Judge Huck:

CR-PCH

You recently sentenced the above-named inmate to a term of 42 months for Accessory After the Fact (Murder). At the time of the imposition of sentence, you recommended Mr. Silverman begin service of his sentence at a facility in south Florida.

In designating an inmate, we must consider several factors including safety and security. In the case of Mr. Silverman, placement at the Federal Correctional Institution (FCI), Miami, Florida, would cause a threat to his safety. Therefore, we have designated FCI, Marianna, Florida, as the institution for initial commitment.

I regret we were unable to comply with your recommendation, but trust you understand our rationale. If you have questions regarding this matter or if we may be of further assistance, please contact me.

Sincerely,

R. E. Holt
